

2020 Mudders

The sign-up for the Mudders is officially open! The tournament will be held on Sunday May 31st with the first tee off beginning at 8am! We have listened to your concerns about a later start so we are have scheduled this tournament one hour later. At the moment, this is the only tournament scheduled for an 8am start. The tournament details are below. If you prefer the **later** tee times, please let me know. I will do my best to accommodate

Because we are not able to set up a table and collect money at the course, we will use alternate methods of collecting the tournament fee. This may include using a cash app like Zelle, Venmo, Paypal or electronic check. Once we have finalized those payment methods and tournament fee (\$15 or \$10), you will receive an email on how to proceed. There will be no Closest to the pin for this tournament as we are not allowed to handle the pins or any measurement devices at this time. The tournament committee will also not run a skins games (again, no handling money for payouts) but there may be some side games (Bill Turner) run. More detail to come on that as well.

Also, at this time, we are assuming NO CARTS will be available for this tournament unless you meet the requirements listed from Adam Cortina's email a few days ago (required handicap permit or doctor's note)

For those interested in playing in the Mudders, please send me your name and your partners name. If you are a single and need a partner, I will put you on a list and pair you up with other singles. Let me know if you have any questions! Thank you!
