

DEGC Members,

Happy New Year!

As of January 11th, the USGA will be requiring a password to access the GHIN system. We are supposed to receive an email on January 11 that will have links to create the password. They are calling it a Digital Profile.

This password will then be used for any access to GHIN, including posting scores.

The GHIN app used on your phone or tablet will also need to be updated or downloaded again so that it will be current with the changes.

Please note that we will NOT have any access to GHIN after January 18 unless the Digital Profile has been created.

Thank you for your attention.  
Please contact me if you have any questions.

Gary Rocco  
DEGC Handicap Chairman
